TIME: 1:35.5.

TRAINER: E. Kirwan.

ZEPHYR ZIP continued the good form he has shown since he commenced his career by landing some confident wagers in the QTC Marlboro Stakes. He displayed plenty of courage to defeat Vivacite, who carried 9kgs less than the winner and made the most of his opportunity to stretch the neck of the local champion. Major disappointments were Charity and Runaway Kid.

BERNALLA (outside) makes a desperate last-stride lunge to snatch victory away from Big Bikkies in the Prime Minister's Cup at Southport in May. The grey mare came from a long way back in the middle stages of the race to record a courageous win. New Zealand mare Kindled finished third.

PAINTED RED (No. 5) flashes down the outside to record a narrow win over River Ridge and Pacific Prince in a hectic finish to the Lightning Stakes at Eagle Farm. The Neville Begg-trained sprinter surprised many keen judges and scored a good odds.
